**SUBJECT:** 1 Day interactive seminar in co-ordination with PCCOER on writing funding proposals

**HONOURABLE SPEAKERS:** Dr. Jayadevan R.

**Date:** 17<sup>th</sup> July 2019

**Attendees:** 18 Faculties + 11 students

**Program Co-ordinator:** Ar. Sneha Padishalwar and Ar. Apoorva Gadgil-Gijare

**OBJECTIVE:**

To get an in-depth knowledge about what and how to write a funding proposal for research.

**EVENT BRIEF:**

Dr. Jayadevan R. is an associate professor with Army Institute of technology and has been involved in research from an early years of this career. His area of interest and research is Machine Learning, Pattern Recognition and Data Analytics. He has co-authored numerous research papers and has also guided Ph.D. students.

This workshop was in co-ordination with PCCOER and was attended by our faculty mostly who are guides for research and thesis. Few students who had completed a benchmark in their thesis research were allowed to attend the seminar.

The speaker briefed the attendees on how to write a funding proposal to agency and university for research paper. He talk about the format, process and shared his own experience. He was modest enough to share few insightful tips and techniques for easy funding.

**OUTCOME:**

The faculty was overwhelmed by the knowledge gained on writing funding proposals and was motivated to work on research activities related to architectural field. Students attending the workshop got an insight of what are the things related to writing a research paper and how to acquire funding for their research paper.
